Subject: FW: Arsenic and Lead questions regarding Animas river spill

Hi Whitney.

Below is an offer to assist from Dr. Michael Kosnett. He is a local expert on Lead and heavy metals poisoning and risk.

I can provide further information about his credentials if you would like.

Take care,

-m

Subject: Arsenic and Lead questions regarding Animas river spill

Hi Susan, Bob, and Michelle,

Please let me know if I can assist with any questions or risk communication issues regarding arsenic, lead and other heavy metals pertaining to the Animas river spill. As you know, arsenic and lead have been major interests of mine for several decades.

Best,

Michael
